Docket No. 98-N-1265
Food and Drug Administration
5600 Fishers Lane Room 1061
Rockville, MD 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I
OBJECT to the definition of "inordinate amount" which restricts the availability and
the right to obtain necessary compounded medications by limiting the number of
prescriptions that can be shipped across state lines from specialized
compounding pharmacies.

Comments: I order 3 different products from 2 different
specialty pharmacies. Without these specialty pharmacies,
I would not be able to order the products (medication)
from local and commercial pharmaceutical manufacturers. If I
do not get these meds, my health would severely be compromised!
